

Cocopah Tribe Regional Partnership Council

2014 Needs and Assets Vendor Selection

Vendor	Considerations	FTF Experience	Cost
The University of Arizona, Norton School of Family and Consumer Sciences	<p>Understands critical opportunity state has in being able to create an early childhood system that allows children the chance to reach their full potential. Expertise and experience in qualitative and quantitative methods including surveys, interview, and focus groups.</p> <p>Willing and able to contract with region for additional data collection as requested. Offers consultation to guide decision-making based on report. Proposes in-person consultation from start to finish, both before data analysis and after the report is complete to help make use of information. Budget proposal did not include travel within the proposed amount and therefore travel would exceed the Base report amount.</p> <p>Located in Arizona. Familiar with rural Arizona and the variability of social and environmental determinants of health across Arizona. Nationally recognized leader in community evaluation efforts. Existing working relationship with FTF with several other related evaluation projects, including the current statewide study on regional boundaries, and a thorough understanding of FTF programs, goal areas, structure, processes.</p> <p>Requesting all 31 regions, subject to negotiation. Capacity to complete many reports simultaneously could impact quality.</p>	<p>Completed assessments for the following West regions and Tribal regional areas:</p> <p>La Paz/ Mohave – 2010 and 2012</p> <p>Colorado River Indian Tribes – 2010 and 2012</p> <p>Hualapai Tribe – 2012</p> <p>Gila River Indian Community – 2012</p> <p>Tohono O’odham Nation - 2012</p>	<p>\$17,000 maximum per report at \$85 per hour.</p>

Vendor	Considerations	FTF Experience	Cost
Applied Survey Research (ASR)	<p>Extensive experience (29 years) conducting community needs assessments. Specializes in Social Research and has multi-state experience with outreach to minority populations and vulnerable populations, including migrant farm workers, the homeless, families that have experienced domestic violence, and people with disabilities. Has received awards for their social research specializing in Latino and Native American communities. Prides on the ability to “make data come alive.” Creation of vivid, graphically –interesting reports and presentations. Offers face-to-face parent survey method and development of “Family portraits.”</p> <p>Early childhood experience through work with First-Five in California (the equivalent to FTF) and the Alliance for Children’s Early Success in Coconino.</p> <p>Located out of state.</p> <p>Vendor is requesting all 31 regions. Capacity to complete many reports simultaneously could impact quality.</p>	<p>Completed assessments for the following West regions and Tribal regional areas:</p> <p>Yuma- 2010 and 2012</p> <p>Cocopah Tribe – 2010 and 2012</p> <p>Hualapai Tribe – 2010</p> <p>San Carlos Apache – 2012</p>	<p>\$17,000 maximum per report at \$100 per hour.</p>
